

Introduction

National Institute of Public Health Training & Research (NIPHTR) erstwhile Family Welfare Training & Research Centre (FWT&RC), Mumbai is the first Family Planning Training Centre established on 26th June 1957 by the Union Ministry of Health & Family Welfare to carry out trainings on family planning under the National Family Welfare Program launched by Govt. of India in the year 1952.

The institute carried out training of doctors and para-medical personnel at state and district levels from all over the country on Primary Health Care, Family Welfare, Reproductive & Child Health, National Health Programmes, Immunization, HIV/AIDS, Population Sciences etc. In the year 1986, Diploma course in Health Education (now renamed as Diploma in Health Promotion Education) was started at the institute under the “Development of National Trained Health Manpower for the training of health education specialists and para-medical worker’s” scheme of Govt. of India. It is a One-year residential diploma course affiliated to International Institute of Population Sciences (IIPS), Mumbai, a Deemed University under MoHFW, Govt. of India.

In 2007, with the approval of MoHFW, Govt. of India, NIPHTR started one-year residential course namely Post Graduate Diploma in Community Health Care (PGDCHC) which is designed to develop skilled manpower under National Rural Health Mission (NRHM) in the field of Public Health. This course is also affiliated to IIPS, Mumbai.

NIPHTR is involved in community-based research work in the field of Health & Family Welfare, Population Science, HIV/AIDS etc. in rural and urban areas. Training programmes, workshops and seminars are conducted for the health personnel from the Governmental and Non-governmental Organizations. The Centre also accepts the international students sponsored by WHO for the formal training programmes.

For development of better infrastructure, expanding the Centre’s activities and enhancing the quality & quantity of training for medical & paramedical personnel, the New Institutional & Hostel Complex of NIPHTR has been established at New Panvel, Navi Mumbai. Now, the institute is ready and made operational for carrying out activities since academic year 2019-20.

Objectives

- ✓ Conduct Diploma in Health Promotion Education course (DHPE) for the in-service paramedical candidates from all over the country & abroad.
- ✓ Conduct PG- Diploma in Community Health Care course (PGDCHC) for the in-service paramedical candidates from all over India.
- ✓ To conduct Skill based training Courses such as Sanitary Health Inspector, First Responder, Diabetes Educator, General Duty Assistant, Home Health Aide.
- ✓ To conduct short term training courses for medical and paramedical health professionals in the field of Health Communication, Research Methodology etc.

- ✓ To design and implement customised fellowship training program for International Agencies like World Health Organization, UNICEF etc.
- ✓ Impart training in Primary Health Care, Family Welfare, Reproductive & Child Health & other integrated National Health Programmes to different categories of Health personnel.
- ✓ Supervise & guide the students from other institute placed for field training with the Centre.
- ✓ Provide technical guidance & training to staff of Health & Family Welfare Training Centre & Rural Training Centres.
- ✓ Carry out training courses for different categories of health personnel whenever required by Govt. of India.
- ✓ Arrange educational programmes for voluntary agencies & general public in different health & family welfare aspects.
- ✓ Provide Maternal & Child health services, Family Planning & other welfare services to people through the urban clinic.
- ✓ Carry out community bases research studies related to key Public Health Areas.
- ✓ Organize outreach activities & health camps to provide preventive promotive & curative services for rural & urban slum population.
- ✓ To work in association with the National Level Institutes and organizations for the implementation of Various training program and research activities as and when needed.

Vision & Mission

- Vision: to be a centre of excellence globally for training and research in the field of Public health.
- Mission: to develop a competent workforce for public health services through teaching, training, and research in the relevant fields on a regular basis.

Courses at NIPHTR

Diploma In Health Promotion Education (DHPE)

National Institute of Public Health Training and Research, Mumbai as approved for conducting one year Diploma course in Health Education in December 1986, by Rural Health Division of Ministry of Health and Family Welfare, Govt. of India under scheme of 'Development of National Trained Health Manpower' for the training of specialists and para-medical workers. The Course is affiliated to the Deemed University of International Institute for Population Sciences (I.I.P.S.), Mumbai - 400088.

The training programme is action-oriented with an in-built concurrent field-work spread over the whole academic year. Thus, the participants learn to identify their functions, tasks and roles and they are equipped with basic knowledge and skills to perform their jobs effectively by doing these jobs in the community placement in the field.

Post Graduate Diploma in Community Health Care (PGDCHC)

Post Graduate Diploma in Community Health Care (PGDCHC) was started by NIPHTR Mumbai in 2007. After the launch of National Rural Health Mission (NRHM) in 2007, there

was a need for the skilled human resource having overall competence in the field of health, hygiene, sanitation, nutrition and management at supervisory level capable of delivering quality health care services. The Course is affiliated to the Deemed University of International Institute for Population Sciences (I.I.P.S.), Mumbai - 400088. The duration of the course is 12 months (9 months theory & 3 months internship). This course was designed to develop such skilled manpower.

NIPHTR, Mumbai has started skill development programs. These courses are i) Sanitary Inspector, ii) First Responder, iii) Diabetes Educator, iv) Home Health Aide and v) General Duty Assistant.

Skill Based Training Programs **FIRST RESPONDER**

The Skill based program of First Responder Training was started in 2018. The course is of 4 days duration and open to all. Till date the institute has conducted 20 batches of the course. The participants were, ASHA worker, Teachers of Kendriya Vidyalaya and General public.

SANITARY HEALTH INSPECTOR COURSE

The Skill based training courses are the training content developed for enhancing the specific skills of existing professionals or provide for a platform for imparting skills to candidates. As the directives of Ministry of Health & F W, NIPHTR Mumbai has decided to conduct one year skill-based course for Sanitary Health Inspector.

Public health and Sanitation are an important matter of concern for the urban and rural areas of the countries. Sanitary health inspectors play a crucial role in the protection of public health and environment in various ways. Their demand is increasing with the changes in the public health scenario of India. Civic bodies in a state particularly depends on health and sanitary inspectors for dealing with various public issues which range from safe drinking water, safety of food and general sanitary and environmental conditions. Sanitary Health Inspector role will be crucial in implementation of SWACHHA BHARAT MISSION IN INDIA.

Thus, as per the directives of MOH&FW, A one year Diploma course for Sanitary Health Inspector started at NIPHTR, Mumbai under the skill development program for Health Care sector of MOH&FW, Govt. Of INDIA Skills Development and Entrepreneurship. The institute has conducted 6 batches for SHI

Diabetes Educator:

Diabetes educator course is for the participants who have completed, Nursing, Science Graduation with Biology, etc. It trains the skills for in Health education for the Management Diabetes and counselling of the patients for diabetes Control.

General Duty Assistant:

General Duty Assistant course is open to all the youths who have completed 12th science. Its objective of the course is to develop skilled manpower to assist the nursing staff and medical professionals at the hospital set up.

Home Health Aide:

Home health aide course is aimed to train the youth to provide medical assistance to the critical patients who are bed ridden at home.
